▲ **6T THUNDERBIRD**
The basic standard road model offering "most for most riders at the best possible value for money." Has handsome streamlined nacelle-instrument panel. Easy to start, great reliability. The World's best value for the money.
In Aztec Red with Gold trim

NEW
5T/A
SPEED TWIN
STREAMLINER
30.5 cu. in. (500 c.c.)

Here's high performance and beauty all wrapped into one to appeal to veteran and newcomer alike. Silent, easy to start, reliable, the 5T/A performs with turbine-like smoothness. Offers exceptional cleanliness, low seating position — the most economical of the twins to operate.

▲ **T110 ROAD CRUISER**
Features streamlined nacelle, single 1 1/16" Monobloc carburetor.
In two-tone Ivory and Black

In Continental Red

Also available in 21 cu. in. (350 c.c.) 3T/A —

THE "TWENTY-ONE" STREAMLINER
In Azure Blue

and fastest

TRIUMPH is the world's greatest motorcycle
